Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Schedule B supporting Line 21(b) of your report discloses a voided or returned check(s) for an expenditure(s) made during this or a previous reporting period. Please clarify if and when this check(s) was reissued. If it was not reissued, please clarify the steps your committee has taken in order to avoid the acceptance of a prohibited in-kind contribution(s).
2. Schedule B supporting Line 30(b) of your report discloses a voided or returned check(s) for an expenditure(s) made during this or a previous reporting period. Please clarify if and when this check(s) was reissued. If it was not reissued, please clarify the steps your committee has taken in order to avoid the acceptance of a prohibited in-kind contribution(s).
3. Schedule H4 of your report discloses voided or returned checks for expenditures made during this or previous reporting periods. However, for expenditures totaling \$1,033.73 you have failed to disclose a transfer-out for the non-federal portion of these voided checks issued for allocable expenses. Please provide clarifying information regarding the non-federal portion and, in addition, please clarify if and when these checks were reissued. If they were not reissued, please clarify the steps your committee has taken to account for the federal portion of these voided or returned checks in order to avoid the acceptance of a prohibited in-kind contribution.

4. Schedule H4 of your report discloses voided or returned checks for expenditures made during this or previous reporting periods. For expenditures totaling \$3,670.68 the Commission notes MEMO text which states, "Original payment was reported on a Schedule H4, but the Non-Federal portion was never moved as part of an allocation transfer, therefore no transfers back to the Committee's Non-Federal Account are required." Please clarify if and when these checks were reissued. If they were not reissued, please clarify the steps your committee has taken to account for the federal portion of these voided or returned checks in order to avoid the acceptance of a prohibited in-kind contribution.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.
