Payroll and salary has been explained as follows on all payroll entries: Salary is for employee spending less than 25% of time on Federal Election Activity. Due to heavily contested federal primaries, all employees are instructed to spend 80% of time on statewide races, primarily the gubernatorial race. Post-primary, all employees will shift from allocation method to full federal salary. This comes as instruction from our attorneys. Cox Communications bill was not telecommunications, but operational expenses for phone and internet lines in the office.
