Dear Kevin Fortkiewicz:

This is in response to your letter dated November 22, 2020 concerning the October Quarterly Report (07/01/2020 - 09/30/2020) of United for Progress PAC (the "Committee").

You have asked about a 48-hour independent expenditure report received on October 15, 2020. On October 15th, the Committee filed a 48 hour notice disclosing canvassing expenses from a canvass that started on September 21, because it exceeded the aggregate \$10,000 reporting threshold. Prior to the filing, the Committee had been running a series of newspaper advertisements for this election that were independent expenditures but had not exceeded the aggregate reporting threshold. The Committee did not include the newspaper ads on its 48 hour notice because they were disclosed on the Committee's October quarterly report, which was also filed on October 15, and therefore already on the public record.

I hope that this information adequately answers your question. If you need any additional information, please contact the Committee.

Sincerely yours,

Jonathan Berkon  
Counsel to United for Progress PAC
