Reference: Letter May 19,2022
May Monthly Report (4/1/2022-4/30/2022)

In reference to your letter, please note the following:

During the process of reviewing May 2022 disbursements, it came to the Committee's attention that a 5/9/2022 independent expenditure payment totaling \$17,754.10 to Big Dog Strategies was inadvertently not reported on a 48 hour report within 48 hours of its distribution on 4/26/2022.

Upon realizing this issue, the 48 hour report was immediately filed on 5/9/2022. Please note that this disclosure took place 15 days before the scheduled special primary involved, and the correction was made before any notice was issued by the FEC. The independent expenditure involved also was fully disclosed on the Committee's May Monthly Report filed 5/10/2022, again well before the special election of 5/24/2022.

This is a rare occurrence for the Committee and was an oversight despite having numerous checks and balances in place.

The Committee takes its filing responsibility seriously and makes every effort to file accurate and timely reports.

Defending Main Street SuperPAC is in the process of reviewing its internal procedures to ensure that 24 and 48 hour reports for independent expenditures will be filed timely and accurately going forward.
