TEA PARTY MAJORITY FUND
OCTOBER QUARTERLY REPORT (07/01/2018 - 09/30/2018)

LINE 24 INDEPENDENT EXPENDITURES & SUPPORTING SCHEDULE D

This is in response to the FEC's Request for Additional Information (RAI) concerning MEMO entries for apparent independent expenditures made on behalf of President Donald J. Trump and a corresponding Schedule D, Line 10 supporting those entries.

The committee filed a Form 24 (48-hour Notice) on July 10, 2018 reporting a MEMO entry of \$150,000 for "Phone Bank - Voter Contact Calls" supporting President Donald Trump. During the reporting period, the committee reported itemized Independent Expenditures of \$75,290.78 against that \$150,000. In addition, a debt was reported on Schedule D, Line 10 for \$74,709.22 owed to InfoCision Management Corp. The amount of the debt represents the difference between the Form 24 MEMO entry and the itemized IE disbursements (150,000 - 75,709.22 = 74,709.22).

I trust that this response adequately addresses this issue.
