This note is regarding October '06 Monthly - Amendment # 2 FEC-282724

This amendment was made to correct beginning balances and ending balances that changes due to the July '06 Monthly - Amendment #3 FEC-276772. After amending THAT report, it created a different beginning balance for August '06 Monthly, which created a different beginning balance for Sept. '06 Monthly. This naturally lead to a new beginning balance for October '06 Monthly. This is the amendment to carry that new beginning balance forward.
