REFERENCE: YEAR-END REPORT (07/01/2013 - 12/31/2013)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report (see attached) discloses one or more receipts from an organization(s), which is not a political committee registered with the Commission, for the apparent misdeposit of contributions not originally intended for your committee's federal account. Please be advised, contributions deposited in either a federal account or an account used for both federal and non-federal activity must meet the following conditions: the contributions are designated or expressly solicited for use in connection with federal elections and contributors are informed that their contributions are subject to the limits and prohibitions of the Act. 11 CFR §102.5(a)

The Commission notes the memo text attached to the receipt stating, "The Committee has transferred the mis-deposited amount to the intended nonfederal committee recipient, and that transfer will be reported on Line 22 of the Committee's April 15 Quarterly Report." Although the Commission may take further legal action regarding the misdeposited funds, your prompt action will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will

be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
