This is in response to the Commission's letter dated 10/27/14 in reference to the August Monthly Report (07/01/14-07/31/14) and a request for additional information regarding negative entries on Schedule B supporting Line 21(b). The negative entries on Schedule B supporting Line 21(b) are credits on the Committee's American Express account and not refunds into the Committee's account. The Committee has disclosed the credits as such to show why a credit card payment might be less than the sum of the memo entries. If you have further questions, please contact the Committee.
