Response to year end report on the 6 items: 1. The ADP discrepancy was due to the initial report being an estimate of the costs, the actual number was provided in the year end report. 2. We apologize for the late 24 hour report and will implement better practices to prevent this from happening. 3. This was a clerical error from when the first report was sent via mail and was missed in the electronic reporting. The amendments have been made and this error has been noted. 4&5. These were mistakes made after the election where there were expenditures not reported within the 24 and 48 hour periods required. We have become aware of this and will make not prevent this from happening again. 6. Memo text has been added to the receipts which provide the requested information.
