REF: RFAI Amended July Quarterly Report (05/14/2020 - 06/30/2020)

The committee unintentionally did not file a 48hr report filed for the contributions received on 5/26/2020. The report was prepared timely but was not transmitted due to an oversight. We have reviewed our procedures for confirming all reports are filed for contributions received during 48 hr notice periods to ensure this doesn't happen again.

Please contact me should you need any additional information.

Thank you.
