Re: July Quarterly Report (4/1/08-6/30/08)  
Identification Number: C00345132

Dear Ms. Lewis,

As your letter sent on November 19, 2008 requests, Republican Jewish Coalition- Political Action Committee follow's the FEC's requirements for 'Best Efforts.'

First, the committee's original solicitation always includes a clear and obvious request for the contributor information and informs the contributor of the requirements of federal law for the reporting of such information.

For new contributions coming to the RJC that do not contain enough identifying information, we will send a thank you letter that reminds the donor of our reporting requirements under federal law. We will enclose a post card for the donor to complete the information we need, and return it to the RJC. .

We will amend our reports for any new information we receive.  
Sincerely,

Matthew Brooks  
Treasurer  
Republican Jewish Coalition- Political Action Committee (RJC-PAC)
