The Accounting Reconciliation Entry included in the 2011 Year End report (FEC-763283), which is dated 12/13/11 in the amount of \$18.00, reflects a correction for two previous items reported on line 29 of the 2007 November Monthly FEC report. The error occurred due to the transposition of two numbers in the amounts reported.

The first was for "Citizens for Frank Watson" dated 10/4/07 in the amount of \$634.04. The second was for "Citizens to Elect Tom Cross" dated 10/4/07 in the amount of \$634.04. Both of these items should have been reported as \$643.04 rather than \$634.04. This resulted in what appears to be an \$18.00 surplus. This correction makes the current balance of the PAC accurate to the best of our knowledge.
