Form/Schedule: F3XA Transaction ID :

Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

Form/Schedule: F3XA Transaction ID:

The Year-End Report is being amended to disclose a disbursement, transaction ID B591829, that was inadvertently omitted on the original report. The transaction appears on page 231. The totals for Line 23, Summary and Detailed Summary pages and the PAC balance have also been adjusted. Please update your records accordingly.
