In response to the letter regarding the July Quarterly Report (4/1/02-6/30/02), there are two contributions to Friends of Sherrod Brown that were originally designated as General. These were made on 4/2/2001 (\$2,500) and 5/15/2001 (\$1,500). On the year end report, these two contributions were redesignated as Primary. Therefore, there was only one contribution of \$5,000 for the General Election.
