Amended Statement of Organization, Received 02/04/15

Dear Mr. Morse:

With regard to your letter of February 10, 2015, be advised that County Central Committees of political parties in California were created by the California Election Code, and not by state party committees of political parties. This Committee is not established, financed, maintained nor controlled by the California Democratic Party (CDP); and, therefore is not a subordinate of said California Democratic Party.

This Committee also has not received funds from any other political committee established, financed, maintained or controlled by the California Democratic Party. Further the Butte County Democratic Central Committee does not make contributions in cooperation, consultation or concert with the CDP; and, is only a part of the party structure of the CDP as an affiliate organization.

I hope this assist the Federal Election Committee in determining the status of this Committee. If you should have further questions with regard to this matter, please contact me at your convenience.

Sincerely yours,

Gregory E. Sanborn  
Treasurer  
Butte County Democratic Central Committee
