To Whom It May Concern,

This letter is submitted to further clarify recently amended reports for the period of 10/01/2016 - 12/31/2016. We wish to apologize for any confusion our amendments may have caused in attempting to clarify our reporting. Please note that 350.org Action Fund was unaware that Form 5 amounts may be estimated and labeled with the word 'estimate' to document the full scope of likely disbursements related to a disseminated communication.

With regard to disbursements made to payee Feral, we filed a timely report within the 24 hour window after the dissemination of the related communication, but documented the payment disbursed, rather than the full estimated cost of the payee's work on the communication.

We should have noted the full estimated amount in our timely report and noted 'estimate' on the form, and will do so with future payees going forward.

Sincerely,  
350.org Action Fund
