Dear Mr. Norfleet:

This letter is in response to your requests for additional information, dated October 7, 2009 and October 14, 2009.

Both letters indicate that the above mentioned reports do not include full employer/occupation information for all individuals. The Committee is well aware of the the regulations concerning best efforts. All solicitations contain a clear and conspicuous request for the contributor information and inform the contributor of the requirements of federal law for reporting such information. If the information is not provided, the Committee makes at least one follow up request, either by email, telephone or by mail. Each follow up request clearly asks for the missing information, does not solicit contributions, informs the contributor of the requirements of federal law for the reporting of such information, and, if the request is written, includes a pre-addressed return envelope.

The Committee has amended both reports referenced above, as well as the October Monthly Report (9/1/09-9/31/09) to update this information. The Committee will continue to file amendments as new information is received.

Sincerely,

Lisa Lisker  
Assistant Treasurer
