Dear Mr. Poersch:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The totals listed on Lines 28(b) and 28(c), Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule B supporting Line(s) 21(b) of your report to clarify the following description(s): "CONS./PROF.SERV. POLITICAL." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule F, supporting Line 25 of your report, discloses several coordinated expenditures on behalf of Amy Klobuchar and Bernie Sanders which appear to have been made after the general election date. Please be advised that if the service is provided in one reporting period and the payment is made in a later reporting period, the coordinated expenditure should be reported as a memo entry on Schedule F when the service is provided and on a Schedule D if it is a reportable debt under 11 CFR

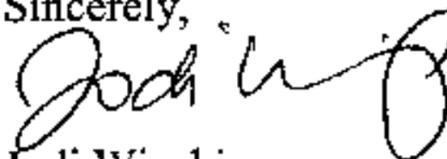

27090424849

§104.11. When the payment for the coordinated expenditure is made, the report should show a payment on Schedule F and the same payment on Schedule D, if applicable. Please amend your report to provide further clarifying information regarding the coordinated expenditures disclosed after the general election date.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1136.
