No expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election. In response to your Request for Additional Information regarding the change in filing frequency: The Committee began filing on a monthly basis during the fourth quarter of the prior year when it became mandatory to do so as a result of engaging in Federal Election Activity. Please see reports from that period. In prior cycles, advice from the Reports Analysis Division was to begin filing monthly as required. Notice to the Commission with the previous report was not possible because it was not known at the time of that filing that the Committee would engage in FEA necessitating the requirement for monthly filing. No employee of the Committee spent more than 25% of compensated time during the reporting period engaged in Federal Election Activity.
