30-Day Post-General Report

Dear Mr. Ragan:

I spoke to you several days ago and learned that I missed reporting a contribution of \$5,000.00 from Old Castle and Material Inc. PAC within 48 hours of receipt of the contribution. I researched this omission and confirmed that I had reported all the contributions, which were \$1,000.00 or more (7 contributions) received on November 2, 2000, but I failed to report the Old Castle contribution. I apologize for this error. It is my responsibility to prepare the 48-hour reports and in most instances I do not omit listing a contribution. It is my intention and desire to not have errors such as this. I understand the importance the FEC puts on timely submission of last minute contributions and I will make every effort to prevent a mistake like this in the future.

Sincerely,

Robert J. Bohnert
