*Re: Perdue for Senate, CO0547570*

Dear Secretary Erikson:

We represent Perdue for Senate, Inc. ("Campaign"), the campaign committee for David Perdue, a candidate for United States Senate from the State of Georgia. We are in receipt of the attached letter from the Federal Election Commission. The letter seeks an electronic mail address for the Campaign.

As a committee for a candidate for the Senate, the Campaign is not required to provide an electronic mail address and prefers to receive communications from the Federal Election Commission by traditional mail. We have addressed this issue with the Commission, and we write to confirm the Campaign's intentions.

We appreciate your consideration of this letter, and should you have any questions, please do not hesitate to contact me.

Kindest regards,

Josh Belinfante

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the Statement of Organization referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received by the response date noted above.** Additional information is needed for the following item:

- Your Statement of Organization (FEC Form 1) does not include an email address for your committee. The Federal Election Commission sends all courtesy mailings exclusively by electronic mail. Reporting reminders and mailings concerning changes in the law are no longer sent to committees by U.S. mail. Requests for Additional Information (RFAs) are sent via email unless the committee files a statement requesting to receive RFAs in hard copy or fails to provide an email address. Mandatory electronic filers are required to provide an electronic mail address, if such an address exists. (11 CFR §102.2(a)(1)(vii) and (viii)) Please amend your Statement of Organization to disclose a current email address.

**Please note you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
