Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. A review of the reports filed by National Republican Congressional Committee discloses a \$3,000 contribution made by your committee on 7/27/12. However, your reports do not appear to disclose a disbursement to this committee. Further, a miscellaneous electronic submission filed by this committee on 12/17/12 states "have reviewed our records and can confirm that the donation of \$3,000 from Citizens Utilities Company PAC is correct as disclosed. We do not have any information with respect to the reporting of this contribution by the PAC." Please amend your report(s) to disclose this activity or clarify this apparent discrepancy.
2. Please provide a Schedule B to support the entry reported on Line 23 of the Detailed Summary Page. Each contribution made to a federal candidate or committee must be itemized on Schedule B regardless of the amount contributed. (11 CFR §104.3(b)(3)(v))

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will**
