To Whom It May Concern:

Our committees procedures are in compliance with the best efforts provisions cited in your letter. As an initial matter, all committee solicitations request the employer and occupation and notify the donor that the Committee is required to report that information. For those donors who choose not to provide the occupation and employer information, the Committee (within thirty days of receiving the contribution) sends the required follow-up letter, which asks the donor again to provide the information, and again advises the donor of the Committees obligation to report the information. These follow up letters include a pre addressed return envelope for the donors convenience. Finally, all such information received is captured in our database and reported going forward.

Thank you for the opportunity to respond.

Sincerely,

Snuffer for Congress
