This report is being amended to correct an efile error in the original report. When a paper copy of this report was prepared for internal review, all data was correct. When the same data was used to create the efile to be uploaded to the FEC, the file was created without any receipts or disbursements. This resulted in a filing with zero activity. We have been in communication with both the FEC electronic filing office and the software vendor. Both are reviewing the issue. The software company tried to recreate the issue on the user end and could not. Any payroll related expense on Schedule H4 was for the benefit of employees that did not spend over 25% of their compensated time on federal election activity. Any receipts for Voter File on Schedule A were charged at the usual and normal charge, as previously established. Any fundraising activity was for the benefit of the committee.
