Dear Mr. Gibson:

This letter is in response to your request for additional information, dated June 28, 2000 and received by Volunteer PAC on July 24, 2000.

We have reviewed the regulatory cite you indicated at 11 CFR 104.3(b)(3) regarding purpose of disbursement, as well as the Commission's instructions found on the reverse side of the form Schedule B. We are unable to find any indication that "consultants" is not acceptable as a description, and, further, that is what these expenditures were. Therefore, no amendment to Schedule B with respect to purpose of disbursement descriptions is required by the regulations. However, we will be more aware of providing descriptive purpose codes on future filings of all Title II reports.

Should you have any further questions, please do not hesitate to contact me at anytime.

Sincerely,

Chris Barker
Accountant
