RE: RFAI for the Amended October Quarterly Report (07/01/2022 - 09/30/2022). A data entry error caused two contributions to be to be listed outside of the date range of the 9/30/22 Quarterly Report. As soon as the error was discovered, it was corrected and the 9/30/22 report and the following report were corrected and the amended reports were filed. These contributions are listed itemized on the amended report.
