Miscellaneous Document-Debts and Obligations  
July 6, 2005

The Committee On Arrangements' 2004 Year End Report, specifically Schedule D, Line 10 (Debts and Obligations), disclosed a debt owed to David J. Nash and Associates in the amount of \$293,989.97. Since it has been determined that this debt is not owed by the Committee On Arrangements, at the request of the Federal Election Commission's Audit Division, Schedule D Line 10 has been amended removing this debt from Schedule D, line 10, effectively zeroing out all debt and obligations owed by the 2004 Committee On Arrangements.
