Dear Mr. Evans:

This is in response to your letter of June 29.

It was a typographical oversight that the name of our new political action committee was incomplete on the Statement of Organization. The correct name for our new PAC is, "American Iron and Steel Institute Political Action Committee".

The foregoing name is the one we use on the PAC by-laws and all ancillary documents.

We would appreciate it if you would correct this oversight in our Statement of Organization and indicate that the name of the political action committee as set forth in Item 1.(a) is, "American Iron and Steel Institute Political Action Committee".

We regret this oversight. Thank you for bringing it to our attention and for making the necessary correction.

Sincerely,

Ken B. ...
