Re: Transportation Intermediaries Association's TIAPAC (FEC ID C00335091) Amended Mid-Year Report (01/01/2024 - 06/30/2024) received 01/31/2024

Dear Ms. Hutchison,

This letter is in response to the Request for Additional Information regarding our Amended 2023 Mid-Year Report, filed January 31, 2024.

Our amended report disclosed an increase in disbursements totaling \$30,000. Transportation Intermediaries Association's TIAPAC began the transition to a new vendor in January 2023. The transition process was completed in February 2023. The disbursements in question were processed internally in the middle of the transition.

An internal review discovered that the disbursements made during the transition period were inadvertently not provided to our new vendor prior to their processing the Mid-Year Report.

After the reievw and the determination that disbursements had not been included on the original report, the Mid-Year Report was amended to include the missing disbursements.

We are confident that this situation will not be repeated.

Please contact us should you need any further information.

Sincerely,
Chris Burroughs
Treasurer
Transportation Intermediaries Association's TIAPAC
