Dear Mr. Day:

On September 3, 2003, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your September 22, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your report discloses outstanding balances beginning this period for debts owed to Pitney Bowes and U.S. Bancorp, however, there is a discrepancy between the amount reported owed on this report and your Year End report. Please amend your report(s) to clarify this apparent discrepancy.

An adequate response must be received at the Commission by October 15, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any

questions related to this matter, please contact Maureen Benitz on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,

John D. Gibson
