RE:C00532572
Year End Report 7/1/15 - 12/31/15

Dear Mr. Baisden,

In response to your letter of April 20, 2015, please see the following responses:

1) The \$450,000 (8/10/15) expenditure to 308 Media Group was initially reported entirely as an independent expenditure. However, that disbursement was amended to show that \$315,000 was spent on TV advertising for the New Hampshire primary.

The remaining \$135,000 was spend on national ads and as the allocated cost for each primary and caucus was under the filing requirement of \$10,000, no 48 hour report was required. The entire \$450,000 had been reported as an independent expenditure on our year-end report (12/31/15). The report has been amended to show this breakdown.

2)The \$60,000 expenditure to The Lukens Company on 10/14/15 was for a nation-wide digital ad buy on Facebook and Google. While the expenditure was initially reported on a 48 hour report, that report was subsequently amended to show a zero expenditure as the allocated cost for each primary and caucus was under the filing requirement of \$10,000 and no 48 hour report was required. The entire \$60,000 has been reported as an independent expenditure on our year-end (12/31/15) report.

3)All independent expenditures have been fully disclosed. None of the other expenditures listed on Schedule B contain express advocacy costs.

Sincerely,

Elizabeth Newberry Tate
Treasurer
