This is a response to the FEC's RFAI dated April 15, 2015.

In response to item 1, Women's Voices Women Vote Action Fund (WVWVAF), a 501(c)(4) social welfare organization, correctly disclosed no contributions on Line 6 of its FEC Form 5 filing for the 2014 Year End Report. WVWVAF did not receive any donations in excess of \$200 to further the independent expenditures itemized on Schedule 5-A of the 2014 Year End Report. All funds used for the reported independent expenditures were general purpose donations for WVWVAF's social welfare programs and were not earmarked or designated for use in independent expenditures.

In response to item 2, WVWVAF unintentionally overlooked the 24 hour reporting period for the three independent expenditures dated October 29th. However, when WVWVAF learned it had missed the 24 hour reporting deadline, it quickly filed a 24-Hour Report on November 3, 2014 before the election in question. WVWVAF apologizes for the late reporting and will make efforts to make sure all reports going forward will be filed in a timely manner. WVWVAF would also like to confirm that the October 29th date in question was the date of public distribution.
