Reference: **12 Day Pre-Primary Report (7/1/00 – 8/30/00)**

Dear Ms. Needles:

Enclosed is an amended 12-Day Pre-Primary Report. Please be advised that the totals have changed to reflect the changes of the July Quarterly report submitted September 11, 2001.

The previous report included contributions that were made to our state account. The data was imported from Goossos software that we replaced in September with our current reporting software.

All changes are supported by appropriate schedules.

The debt reported on the amendment was an error as it was debt from previous reports that had not been cleared from the report generator of the software. An adjusted Schedule D is included.

The Schedule A was for line 18 was enclosed in error.

A signed Report of Receipts and Disbursements is being mailed under separate cover.

Please be advised that previous amendments and reports affected by the changes will follow with the corrected schedules and totals.

If you have questions or if you need additional information, please do not hesitate to contact our offices.

Sincerely,

Annette Anderson
Comptroller
