Identification Number: C00035600

Reference: July Monthly Report (6/1/04-6/30/04)

Dear Mr. Sager:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The beginning cash balance of this report should equal the ending balance of your Amended June Monthly Report (5/1/04-5/31/04) received 3/4/05. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-The totals listed on Lines 6(c), 7, 11(a)(iii), 11(c), 12, 15, 17, 18(a), 21(a)(i), 21(a)(ii), 21(b), and 22 Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your report discloses receipts totaling \$40,000 from Dollars for Democrats, which is a joint fundraising committee(s) affiliated with your committee. Please be advised that a memo Schedule A must be provided to itemize your committee's share of the gross contributions received through the joint fundraiser(s). The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the calendar

year, and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. Please amend your report by providing the omitted memo schedule(s). 11 CFR §102.17(c)(8)(i)(B)

-Schedule A supporting Lines 11(a)(i) and 17 of your report discloses receipts identified as "**Individual, Unitemized.**" Please be advised that federal regulations require the itemization of all contributions from individuals/persons that aggregate greater than \$200 in the calendar year. Contributions from individuals/persons that aggregate \$200 or less need only be disclosed on Line 11(a)(ii) of the Detailed Summary Page.

Please clarify whether the figure disclosed on Schedule A includes any receipts that aggregate greater than \$200 from an individual/person in the calendar year. If this is the case, please amend your report by itemizing the receipts on Schedule A. 11 CFR §104.3(a)(2)

-On Schedule D of your previous report, the Amended June Monthly Report (5/1/04-5/31/04, received 3/4/05, you disclosed a debt(s) owed to the Iowa Democratic Party Non-Federal account. This obligation(s), however, has been omitted from this report. Please amend your report to include this debt(s) on Schedule D and Line 10 of the Summary Page. All debts and obligations must be disclosed until extinguished. 11 CFR §104.11

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of

the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))

The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

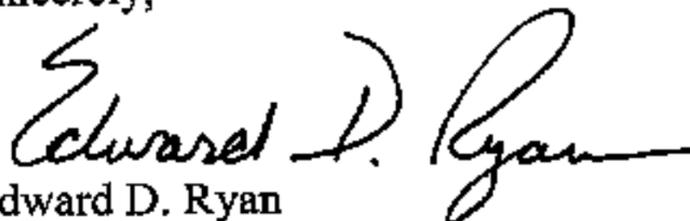

-On Schedule H4, your allocated activity or event year-to-date total calculations for **Administrative category** are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive and exempt activity costs are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
