Identification Number C00150995

Dear Ms. Thangavelu,

This memorandum is submitted in response to your inquiry regarding The National PAC report identified above. The issue raised in your inquiry, Direct Mail Postage and Production costs, is substantively the same issue that was raised during the first quarter of 2005. Since the circumstances are identical, the response that follows is largely identical to that in our Miscellaneous Electronic Filing dated November 7, 2005.

Throughout The National PAC's 24-year history, its mailings have been generic in nature. They do not contain express advocacy as defined under 11 CFR 100.22. They do not refer to a clearly identified Federal candidate and, therefore, they are not reported on Schedule B, line 21(b) in accordance with 11 CFR 106.6(f). Consequently, our original reporting of Direct Mail Production and Postage costs is correct.

We hope that this satisfactorily addresses the issue raised in your inquiry. Should you have any additional questions, please feel free to contact me weekdays at (571) 275-9682. Thank you.

Sincerely,

WARREN E. O'HEARN, CPA
Treasurer
The National PAC
