Dear Ms. Eger:

This letter is in response to the Commission's request for additional information of April 7, 2010, which lists nine numbered items and an unnumbered tenth item pertaining to our March monthly report. Items 1 through 6, 9, and 10 were errors arising from our compliance software transition; we have completed the transition and corrected the errors in our amended filing of April 15. Our specific responses to the items in the Commission's request are as follows:

1. Addressed by our amended filing of April 15.
2. Addressed by our amended filing of April 15.
3. Addressed by our amended filing of April 15.
4. Addressed by our amended filing of April 15.
5. Addressed by our amended filing of April 15.
6. Addressed by our amended filing of April 15.
7. Disbursements described as "intern stipend" were made and reported under long-standing practice consistent with prior reports. They were not reimbursements for travel and subsistence activities, but rather compensation for services rendered by interns, and will be reported to the IRS as Form 1099 payments.
8. Disbursements described as "voter file consulting" were made and reported under long-standing practice consistent with prior reports. They were not made for activity that promotes or opposes a federal candidate.
9. Addressed by our amended filing of April 15.
10. Addressed by our amended filing of April 15.

We hope that this adequately addresses your request. If you have further questions, please contact the committee.

Sincerely,

Michael Childers
Treasurer
