Reference: October Quarterly Report (07/01/2014 – 09/30/2014)

Dear Ms. Grainger:

Thom Tillis Committee (FEC ID# C00545772) is in receipt of your letter dated February 16, 2015, with respect to the 2014 October Quarterly Report. Please accept this as our response to the FEC's request for additional information.

According to FEC regulations, when a committee receives an excessive contribution—one which exceeds the contributor's limit or the campaign's net debts outstanding for an election—the committee may remedy the violation by refunding the excessive amount or by seeking a redesignation or reattribution of it within 60 days.

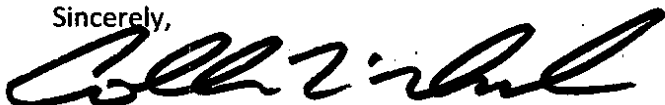

All donations received that were in excess of the contribution limit were clearly marked on our disclosure report to confirm that the committee was in the process of requesting the required documentation for a reattribution or redesignation. If the Committee cannot obtain the needed documentation the committee refunds any impermissible excessive portion of the donation. If this process crosses a reporting period, the donation is marked with a memo text to show the committee is in the process of remedying the contribution and all additional transactions are reported on the next required report.

The contribution referenced from National Stone, Sand & Gravel Association Rockpac was listed on the October Quarterly report as one contribution designated to the 2014 General Election and a second contribution designated to the 2014 Primary debt retirement. Your letter referenced it as both being designated to the 2014 General election.

All other referenced contributions were marked as being in the process of seeking reattribution or redesignation. All contributions were remedied and have been reported in subsequent reports as required.

Please know that the Thom Tillis Committee takes great care to ensure that all reporting requirements are met. If further information is needed, please contact the Thom Tillis Committee at (919) 889-1817.

Sincerely,

Collin McMichael
