Federal Election Commission
Washington, DC 20463

Identification number: C00364901

Reference: July Quarterly Report (4/1/06 – 6/30/06)

Dear Mr. Buckley:

This letter is in response to your request dated August 25, 2006, in which you raise several issues concerning our July quarterly report (4/1/06 – 6/30/06).

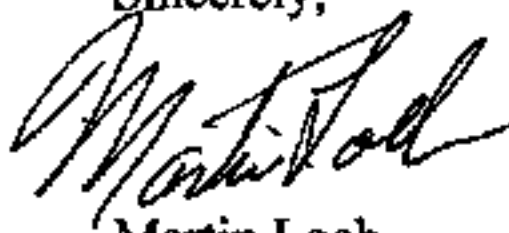

The first issue was with the schedule A supporting line 11 (C) reporting the aggregate year-to-date total of Stations Casinos, Inc. PAC. This error was a programming problem. We contacted our vendor who has reprogrammed the software, and have amended the report electronically on 9/18/06.

The second issue questioned the lack of administrative expense disclosure. The committee is operated by volunteers. Our administrative expenses are minimal, but are reported as they are incurred. None were incurred during the above referenced report.

The issue indicates possible impermissible contributions. We researched the contributions questioned, and determined the best course of action was to request a return of the contributions from the various committees. Attached to this letter is a copy of the each request letter along with a copy of the certified mail receipt. We will report the receipt of the funds at the appropriate time.

The last issue noted several earmarked contributions to the federal candidates/committees were reported on line 29, but should have been reported on line 23. The changes have been made, and an amended report has been filed electronically on 9/18/06.

Sincerely,

Martin Loeb

Dear Kendra,

As per our conversation, our committee sent \$500.00 to you committee on 6/09/06 for your primary 2006 campaign. Unfortunately, your primary was held before our contribution was sent. Thus, our committee has been notified by the Federal Election Commission that the contribution was impermissible. The check was designated as Primary 2006, so even if you recorded it as General, it has been over 60 days since your committee received the check, therefore, the FEC requires that we request a refund as opposed to redesignation.

We are sorry for the inconvenience. If you have any questions please call Linda Goldberg at (702) 735-1353.
