Dear Mr. Paul:

On May 19, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 1, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The totals listed on Lines 11(a)(i) and 11(d), Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction.

- You have indicated that the \$1,000 contributions made on October 14, 1998 to McCain for Senate '98, the Billy Tauzin Congressional Committee and Boucher for Congress are to be designated for 1998 Primary Debt Retirement. Based on the reports filed by these committees it does not appear that there were any outstanding Primary or General election debts at the time that the contributions were made. You should request a refund of the \$1,000 contributions in question or redesignate the contributions to a future election. Please clarify any corrective action taken with regards to

these contributions.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Scott A. Francis on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson", with a horizontal line extending to the right.
