REFERENCE: YEAR-END REPORT (07/01/2017 - 12/31/2017)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 1 item(s):

1. On Schedule B, you have disclosed disbursements to a federal candidate committee. Commission regulations require that these itemized disbursements include the recipient's full name, complete address, date, amount, state of election, office sought (House, Senate, or President), and district (if applicable). Please amend your report to include the state of election, office sought, and district (if applicable). (11 CFR §104.3 (b)(3))

- For your information and consideration when preparing future filings, Schedule B supporting Line 23 of your report discloses contributions to federal candidates for which no election year designation has been provided. Commission regulations encourage committees making contributions to federal candidates to designate their contributions in writing for a particular election. Contributions not designated for a particular election and election year will be attributed to the next election for Federal office in which the candidate is participating. (11 CFR §§ 110.1(b)(2) and 110.2(b)(2)) For future filings, please include the election designation(s) year if applicable.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
