SECRETARY OF THE SENATE

December 19, 2007

Ms. Rosa G. Lewis  
Senior Campaign Finance Analyst  
Federal Election Commission  
999 E Street, NW  
Washington, DC 20463

Dear Ms. Lewis:

This letter is in response to your inquiry dated November 28, 2007 in which you reference the February Monthly Report (1/1/07 – 1/31/07).

Schedule A Best Efforts

The Committee takes the following steps to ensure compliance with 11 CFR§104.3(a)(4)(i) and 104.7:

All solicitations to prospective donors include the following statement: “Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year.”

If the individual fails to respond to the initial request, the Committee sends a stand-alone follow-up letter, no later than thirty (30) days after receipt of the contribution, requesting the same information. The letter includes a pre-addressed, stamped envelope and contains the following statement:

“Federal law requires that we obtain the attached information regarding your occupation and employment. Please complete the attached form and return it to us as soon as possible in the enclosed envelope.”

The Committee then discloses any updated contributor information it receives by filing memo Schedule A’s in a timely manner with its next regular report or by filing an amended report.

If the individual fails to respond to the Committee’s requests, the Committee reports donor information pursuant to the guidelines in 11 CFR 104.7(b)(3) and 11 CFR 104.7(b)(4).

Schedule B – Void Checks

In cases where the Committee reports voided checks on Schedule B, it does so in this manner because the checks were determined to be duplicate, lost payments by the vendor, or defective in some manner. Because these checks were issued in a prior period but voided during the current reporting period, the Committee reports the transactions so that its reported cash on hand figures agree with its internal records. As such, the committee ensures that it accepts no corporate in-kind contributions of any kind.

Schedule B – Expenditure Clarifications

No portion of the expenditures for “fundraising consulting,” speakers fee,” “direct mail expenses,” or “postage” were made on behalf of any specifically identified federal candidate. These expenditures were made solely on behalf of the Committee. Accordingly, no further itemization is necessary.

Sincerely,

Robert Jentgens  
Assistant Treasurer
