RE: Amended June Monthly Report (05/01/2016 - 05/31/2016)

Dear Mr. Stoetzer:

This letter is in response to your letter dated February 20, 2017 regarding the NRA Political Victory Funds Amended June Monthly Report (05/01/2016 - 05/31/2016) concerning the Calendar Year-To-Date per Election totals that are reported on Schedule E for the Senate races in Ohio and North Carolina for both the Primary and General Elections and the Primary Election for North Carolinas House District 8.

Vocus, an approved software vendor, adds both the Memo transaction totals as well as the actual disbursement entry totals to calculate the Year-To-Date per Election amounts to be reported. We have discussed at length this issue with Vocus and they are looking into a solution. Unfortunately at this time, a permanent solution to the double posting of year-to-date totals is not available. We will amend all reports that this issue pertains to when the vendor has provided us with a programming correction.

We have been able to manipulate the program to not report the 24/48 Hour Memo entry totals as part of the Year-To-Date totals on Schedule E (for some reason, this did not work for NC House 8). Vocus currently does not report items on Schedule E in a chronological order, so the last item on the report may not be an end of the month entry. The correct Year-To-Date totals can be found by looking for office elections by date. To assist, the totals that we have for the four office elections are:

Ohio Senate Primary	\$210,408.42
Ohio Senate General	\$225,900.40
North Carolina Senate General	\$ 2,442.71
North Carolina House 8 Primary	\$ 2,087.19

I can be reached at 703-267-1155 should you have any additional questions.

Sincerely,

Mary Rose Adkins
Treasurer
