Response to RAIF dated 9/27/2022 regarding August 2022 monthly FEC3. A payment of \$50,000 made to Liberty Strategic was coded as an independent expenditure supporting nobody in particular. During the month of the payment, a portion of that payment was allocated to the support of a candidate and the balance remained unallocated. A quirk of the filing software disclosed only the allocated portion of the payment, resulting in an underreporting of expenditures and over reporting of ending cash on hand. Upon determining the cause of the error, the transaction was recoded as a regular expenditure and an amendment was filed.
