July Quarterly Report (4/1/09-6/30/09)

Dear Ms. Rocco:

On February 26, 2007, Lathrop & Gage LLP made a contribution to Missourians for Kit Bond in the amount of \$4,600. Thereafter, in 2009 Missourians for Kit Bond refunded that \$2300 to Lathrop & Gage LLP.

The refunded contribution of \$2,300 was erroneously deposited to the bank account of Lathrop & Gage LLP Political Action Committee rather than Lathrop & Gage LLP. The July quarterly report of Lathrop & Gage LLP Political Action Committee incorrectly reported receipt of the refund. The refunded contribution was not related to Lathrop & Gage LLP Political Action Committee.

The Lathrop & Gage LLP Political Action Committee report for the period ending December 31, 2009, reflects a disbursement of \$2,300 to Lathrop & Gage LLP, thereby correcting the erroneous deposit reflected in the report ending June 30, 2009.

The lateness of this response was caused by our attention to year-end accounting responsibilities and tax compliance.

Michael K. Schnitker, Treasurer  
Lathrop & Gage LLP Political Action Committee
