Dear Treasurer:

On January 12, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 13, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-In your response you indicate that you are affiliated with Community Bankers Association of New York State-Political Action Committee (CBANYS-PAC); however, Commission records do not indicate an affiliation between the two committees. Therefore, it appears that you are in receipt of an apparent excessive contribution. You must transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor. Please inform the Commission of your corrective action immediately in writing and provide a copy of your check for the transfer-out or refund. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made. Please note that if you qualify for affiliation with the above-referenced committee as described in 11 CFR §100.5(g), you should file an amended Statement of Organization listing said committee on Line 6.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Antoinette Kitchen on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson". The signature is written in a cursive style with a large initial "J".
