Re: Soft Drink PAC C0100107

Dear Ms. Reynolds:

Reference is made to your note of January 18 concerning our November Monthly Report (10/1/95-10/31/95) wherein a PAC to PAC contribution appeared to reflect an individual contribution. In fact, that contribution was made from The Coca-Cola Company's Nonpartisan Committee for Good Government, conveyed to us by Mr. Barclay Resler, Assistant Vice President for Governmental Relations for The Coca-Cola Company.

We are sorry if listing Mr. Resler's name in conjunction with this contribution made it appear as if it was a personal donation, and I hope this clarifies the matter.

Sincerely,

Mark N. Hammond
Treasurer
