Dear Mrs. Manning,

Per our phone conversations of June 26, 2003, and in with consultations with the First District Chair, I am issuing a check in the amount of One Thousand Six Hundred Fifty and no/100ths (\$1,650.00) to the Troopers Pac of Michigan. This refund check amount will be reflected in our semi-annual report due on July 30, 2003.

As I tried to explain to you earlier, I am new at this position and this report was generated prior to my assuming the position as Treasurer in February 15, 2003. All reports prior to that time which may come into question should be directed to the Chair, Mrs. Kay Chase. All reports reported or generated after February 15, 2003 will be my responsibility.

I do not know what meetings, discussions, contributions took place prior to the date indicated above, but I am in possession of all reports. As I am new to this procedure, I do not know at this time what controls were to have not in place prior to my assuming Treasurer. I can only hope that you will work with me to make any necessary corrections, amendments as needed to keep our records true and clear of mistakes and problems.

I am currently reading the CFR and FFEL Manuals provided. Obviously as a volunteer in this position, it will take time to learn all phases and Articles which affect our District. Additionally, the First Congressional District is the largest district in the States, covering some 32 counties in the State of Michigan. There needs to be some type of consultation in our area to achieve this state.

Should you have any further questions regarding the above, please call or write. Thanking you in advance for your time and considerations.

Respectfully,

 Warren W. Terch, Treasurer
