This miscellaneous text is in response to your letter dated Oct. 2, 20008. You noted that our aggregate totals from a couple of PAC's were different than what you had calculated. As per our telephone conversation, we discussed the fact that we had done some de-duplicating in our database and that many PAC records did not have the committee id or correct name. We have double-checked that all the aggregate totals for the above mentioned PAC's are correct. In your calculations, the following contributions were missed(all of which were reported by us originally):

NRA PAC- 2/07- \$2500

NEA Fund for Children & Public Education- 2/07- \$2500

Assoc. of Trial Lawyers PAC- 2/07- \$1000 & 7/07- \$2000

Am. Maritime Officer PAC- 7/07- \$2500

Action Committee for Rural Electrification PAC - 8/07- \$3000
