Dear Ms. Seay:

This letter is in response to the Commission's preliminary review of the reports referenced above.

(1) After examining the reports it was found that on Summary Page, Column B, Calendar Year-to-Date 6 (a) because of an entering error. I have amended both the April and July Quarterly amended reports to show the corrected "Calendar Year-to-Date", cash on hand totals.

(2) No expenditures were made on behalf of specifically identified federal candidates.

(3) Administrative Expenses: The Committee properly disclosed payments of the limited number of administrative and operating expenses that it had during the 2007 reporting period. The Committee does not have rented office space and it uses a post-office box for receiving mail. The Committee hired a fundraising consultant who provided fundraising services. The Committee's report discloses payments to a person who provides various accounting services, including: processing contributions, depositing funds, paying expenses, preparing FEC reports and handling other day-to-day items for the Committee. The Report also discloses payments to a law firm to review legal matters that arise from time to time.
