RE:ID# C00000936

Democratic Congressional Campaign Committee - Expenditures ("DCCC")

RFAI Dated July 23, 2003, regarding:

Year End Report (11/26/02 - 12/31/02)

∏

Dear Mr. Ryan:

∏

This letter is in response to your request for additional information regarding the above referenced report.

∏

The DCCC did not make excessive coordinated expenditures. The committee received delegations from the State(s) Democratic Party's 441a(d) limit(s) that more than covered the amount of the expenditures in excess of \$35,910 for each of these candidates for the 2002 general election.

The aggregate general election expenditure total for Bill Luther includes an expenditure made on April 30, 2002 in the amount of \$9,986.67.

∏

The independent expenditures listed on Schedule E were not made in cooperation or consultation with any candidate, or any authorized committee or agent of any candidate, or made in concert with, or at the request or suggestion of, any candidate or any authorized committee or agent of any candidate. The expenditures were properly reported on Schedule E and no amendment is required.

∏

The beginning cash balance of this report equals the ending balance of the amended 2002 30 Day Post General Report. The totals listed in Column B of the Summary and Detailed Page(s) are now correct based upon the amended 2002 30 Day Post General Report.

∏

The Event Year-To-Date calculations for Administrative/Voter Drive were derived by aggregating all disbursements during the calendar year for that category. The running total is disclosed after each disbursement listed for the Administrative/Voter Drive category. The calculations are accurate.

∏

We have amended Schedule F for the above referenced report to include the identification of the designating committee, the payee's name and address, the purpose of the expenditure, the identification of the candidate supported, the office sought, state and district, the date and amount of the payment and the aggregate general election expenditure total for each candidate supported.

∏

We have also amended Schedule H2 for the above referenced report to provide a unique identifying code for all fundraising events.

∏

Thank you for your attention to this response. Please contact us if you have any questions at 202-863-1500.

Sincerely,

∏

James J. Bonham, Treasurer
